**WELSPUN**<sup>®</sup>  
FLOORING

Since its inception in 1985, the Welspun Group has been committed to making India proud globally through its superior quality and innovative products and services. Its brilliant addition, Welspun Flooring, now has a modern manufacturing facility spread over an impressive 300 acres with an investment of more than ₹1150 cr.

A breakthrough in engineering and design, Welspun Flooring brings you a unique meeting of form and function in each collection. This distinctive quality appeals to Architects, Designers, Retailers and Consumers, offering them holistic flooring solutions that spur creative thinking and an elevated sense of design.

## Abstrakt

Abstrakt collection uses visual language of shape, form, colour and line to create a composition which may exist with a degree of independence from visual references in the world. It indicates departure from reality and uses our imagination as its canvas. Using subtle mix of colours to create distinctive visual effects, It is characterized by overlay and versatile coloration.

Abstrakt uses elevated loop technique to create a surface full of texture and depth, which has been designed to suit wide range of ambiances.
